MOVANT' TRAVERSE TO GOVERNMENT'S RESPONSE TO
MOVANT'S REQUEST FOR ITEMIZED LIST OF PROPERTY

Comes now the Movant, GEOFFREY L.SIMPKINS, pro se, hereby files
his Traverse to Government's Response to Movant's Request for
Itemized List of Property.

Discussion

The Movant petition/Request the Court to Order the
Government to submit a itemized list of Property. Once again
the Government admits that they had property that was seized
by local police and given to them but to record that they had
it and the Government testified before this Honorable Court
and stated the Government did not receive any property from
the Local Police either Hazelwood or Independence Police Dept..

The Government wants to advise this court that it does
not matter who seized it that as long as it was contraband
then it was alright.

upon the Government committing fraud before this Court by first
lying to this Court about not receiving any of the Movant's
property from Hazelwood and Independence Police Dept. The
Government has now admitted they received a computer from Hazelwood
Police Dept which they returned and now the Government admits
in their response to this Petition that they received two photos
albums from Hazelwood Police Dept. that were seized by the
Independence Police Dept. This again would show this Honorable
Court the Government lied and committed fraud before this Court.
